

FEB 25th

QUINTANGO GALA MILONGA

“Friday night is payday and dance night in Ybor City, a hardworking Cubano neighborhood of cigar makers. By 8:00 pm, the smell of tobacco is masked with perfume, tobacco stained clothes exchanged for gowns, suits and sombreros. Couples stream down Republica de Cuba to the Don Vicente Inn, where the candles are lit, a live orchestra is tuning up, and the bartender awaits. As the tables fill and the dance floor becomes a mass of color and movement, champagne flows, music and dancer become one, and a week's impatient dreams become reality.

Friday February 25th is dance night at the *Elegant* Historic Don Vicente as Tampa Tango Argentino celebrates the two-year anniversary with WAMMIE-award winning live orchestra QuinTango. This is the night glamour returns to Ybor City, and Florida toasts V&F for their two-year labor of love. Don't miss it! There won't be another night like this for a long time....”
